I looked around my house to find things I'd started & hadn't finished, so I finished off a bottle of Merlot, a bottle of Chardonnay, a bottle of Baileys, a bottle of wum, the remainder of Valiuminun prscriptuns, and a box of chocletz.

Yu haf no idr how fablus I feel rite now.

In the Northern Highlands, an impatient fanner knocked at the door of a neighboring farmhouse. The daughter of the house answered.

"Is your father in?" asked the neighbor.

"No," said the daughter. "He's at the Inverness farmers market. If it's the services of the red Ayrshire bull you want, the cost is \$50.00"

No it's not that" said the neighbor.

"Well," said the daughter. "If it's the Galloway belted bull you want, it's \$40."

No, it's not that." said the neighbor.

"How about the small Highland bull." said the daughter.

"The service of that bull is only \$30."

The neighbor rudely interrupted the daughter. "That's not what I've come about. Your brother Sandy has made my daughter Fiona pregnant. My wife and I want to know what your father proposes to do about it."

"Oh, well." said the daughter. "You'll have to see my father yourself. I don't know what he charges for Sandy."

A man goes into the hospital for a vasectomy. Before the procedure, a beautiful nurse comes into his room, takes his vitals, then tells him to take off all of his clothes. When he is fully undressed, she instructs him to lie down on a table. The man obeys.

The nurse then removes all of her clothes, climbs on top, and has her way with him. Upon the completion of the act, the man catches his breath and asks what that was all about. The nurse informs the patient that studies have shown that before a vasectomy, if the man has an ejaculation, he will be more relaxed and that the seminal vessels are easier for the surgeon to locate and sever.

The nurse then wheels the patient to the operating room. While they are going down the hall, the patient sees six men in a room, all of whom are masturbating. Curiosity prompts the man to ask, "What are they doing in there?"

The nurse responds, "They are getting vasectomies too, but you have Blue Cross, and they have HMO."

A little boy walks into his parents' room to see his mom on top of his dad bouncing up and down. The mom sees her son and quickly dismounts, worried about what her son has seen. She dresses quickly and goes to find him..

The son sees his mom and asks, 'What were you and Dad doing?'

The mother replies, 'Well, you know your dad has a big tummy and sometimes I have to get on top of it and help flatten it..'

'You're wasting your time,' said the boy.

'Why is that?' the mom asked puzzled.

'Well when you go shopping, the lady next door comes over and gets on her knees and blows it right back up.'

Man to wife on wedding night, "Are you sure I'm the first man you are sleeping with?" "Of course honey, I stayed awake with all the others!"

Mohammed entered his classroom on the first day of school.

"What's your name?" asked the teacher.

"Mohammed," he replied.

"You're in America now," replied the teacher, "So from now on you will be known as Kevin."

Mohammed returned home after school.

"How was your day, Mohammed?" his mother asked.

"My name is not Mohammed. I'm in America and now my name is Kevin."

"Are you ashamed of your name? Are you trying to dishonour your parents, your heritage, your religion? Shame on you!" And his mother beat him. Then she called his father, who beat him again.

The next day Mohammed returned to school. The teacher saw all of his bruises.

"What happened to you, Kevin? She asked.

"Well ma'am, shortly after becoming an American, I was attacked by two fucking Muslims!
