

People no longer write letters or talk on the phone anymore;
the computer and text messaging have taken over...

**"Dear Andy: How have you been?
Your mother and I are fine. We miss you.
Please sign off your computer and come
downstairs for something to eat. Love, Dad."**

**"My name was David, but that sounded
old fashioned. So I shortened it to DVD!"**

Perfume

**"I want my husband to pay more attention to me.
Got any perfume that smells like a computer?"**

**"Sorry about the odor. I have all my
passwords tattooed between my toes."**

**"THE COMPUTER SAYS I NEED TO UPGRADE MY BRAIN
TO BE COMPATIBLE WITH ITS NEW SOFTWARE."**

**"You said I should spend more time with our
children, so I turned their faces into icons."**

**I asked my dad where the children
came from, he said people
download them from the internet!**

"Not tonight. Didn't you get my email?"

**"Your baby is developing very nicely.
Would you like to send him an e-mail?"**
